URBAN FOOD-GARDEN TOUR - take your pick!

On Saturday 9 September, take the self-guided Urban Food-Garden Tour and visit your choice of 14 diverse and inspiring home food gardens and four (free) educational stops.

A fundraiser for sustainable food production, local and global:

- ♦ Haliburton Community Farm, Saanich
- ♦ 1Up Single Parent Resource Centre
- ♦ Hleketani Community Garden, South Africa

Tickets \$15 (under 19 free)

Tickets at GardenWorks locations, online at brownpapertickets.com, and at gardens while supplies last.

THE GARDENS - addresses listed on tickets

Start anywhere, make your own route. See map back page.

North Loop

-  **A.** See what can happen in just one year! Impressive production; soil and compost advice.
-  **B.** Capital City Allotment Garden, 641 Kent Rd (enter off Carey) Inspiring and varied allotments with high-density food.
- C.** Terraced, whimsical hillside garden. Hugely productive and highly diverse. Citrus.
-  **D. Refreshment stop**
Extensive and varied veggies and fruit trees, chickens. Neighbour's pretty garden included. Bee expert on location from 10 to noon. Coffee and homemade treats by donation.
-  **E.** Diverse year-round garden in medium space. Ecologist with long experience of organic practices.
- F.** Pretty, pretty, pretty – a passionate and highly productive space.
-  **G.** Fruit trees, veggies, berries, flowers, art. Creative shade solutions.

South Loop

H. Food made pretty in outdoor living spaces. Lesser-known edibles for the senses and insects too.

I. Backyard Farm redesigned. Colourful, creative and productive.

J. Sloping back and side yard, multi-family garden. Fruits, vegetables. 3-bin composter, irrigation insights.

K. Newly established, high-density backyard food garden and medicinals. Communal boulevard garden included.

 **L.** Permaculture-inspired home growing/education space. Food, medicinal plants, chickens, and ducks.

 **M.** Small-scale permaculture gem. Quail, varied foods. Neighbour's site included. Urban forager.

N. Productive raised beds, berries, chickens. Handsome pallet structures.

FREE Community educational stops

*no ticket required

Guided tours of First Nations food gardens in Beacon Hill Park. *Tours are at 9 am and 4 pm only.* Meet at flagpole at top of park. Tours guided by Indigenous knowledge keepers.

 **South Park School Garden.** Michigan St. entrance, near corner of Douglas St. Get children growing! Permaculture focus. Perennials, annuals, espalier. Expert gardener on hand.

 **Victoria Compost Education Centre.** 1216 North Park St. Lunch-hour Talk & Tour 12:15-12:45.

 **Fernwood Community Centre.** 1240 Gladstone Ave. Community orchard, boulevard, and nearby Spring Ridge Common food forest.
